

Workshop	FS - Instrument to enhance sustainable Development
Contact person	obus.wilhelmer@ait.ac.at

Interested persons	Konstantinos Aravossis Lucia Sop Ibon Zugasti Miall Dunphy	AVEEN HENRY CRISTINA.ROCHA@LNEG.PT
--------------------	---	---------------------------------------

Main results/conclusions  
SUSA Development is a long-term activity & thus Foresight could help

Proposal for further activities

- Collaboration for Foresight on the City level EU-wide
- + Funding from the Commission
- Learning from the Smart City Foresight Process in Austria
