

Workshop	Future Workspace & its sustainable challenges
Contact person	(bene) Didi Lenz, Gertraud Storz

Interested persons

Manuela Lehner-Künt (ALPLA), Kerstin Riedmann (Gebrüder Weiss),
Sharon Prenderville (Ecodesign Centre), Maria Kalleither-Huber (Öko-Institut)
Agnes Zsóka agnes.zsoka@uni-corvinus.hu

Main results/conclusions

- Open space need open minds needs open sources
- different solutions for different needs & cultures
- question of material, reuse, lifetime, disassembling can be pushed — important for the whole sector!
- how to measure the "softer side" of sustainability
Social (Innovation, well-being...)
Communication

Proposal for further activities

End of 2012: knowledge platform on development of work by BENE
