'Don't look only at the costs - you pay the rest later!'

- Main results/conclusions
- clear definition of term "eco"
 - multi-disciplinary approach needed
 - cooperation: science, business, NGO, publ. auth...
 - visibility of labeled products
 - trends / market change / resource problems
 - no excuse for personal responsibility

- Proposal for further activities
- E.g. Turkey -> learn from experiences
 - niches e.g. technical textiles
high quality -> MMCF
 - use most modern / best technologies BAT
 - Whole value chain integrated
 - ^{enforce} Public Procurement
 - Slun Design Project EU
